

Town of Boylston Board of Health boh@boylston-ma.gov

221 Main Street, Boylston MA 01505 ** Telephone (508) 869-6828 ** Fax (508) 869-6210

The Boylston Board of Health has been following the lead of the State Department of Public Health with their vaccination plan (which may not be the best).

At this point in time, Phase I (which includes first responders) are eligible to be vaccinated. The closest sites at this time for the vaccinations can be acquired at:

Marlborough Hospital*

UMass Memorial*

Harrington Hospital*

and any other sites on the interactive map that is updated at least weekly and can be found at

<https://www.mass.gov/info-details/covid-19-vaccine-locations-for-individuals-in-phase-1>

As of February 1st, these vaccination sites are eligible to vaccinate the first group in Phase II which is the 75-year-old and older age groups. The State Department of Public Health has informed us that more vaccination sites will be coming online in the next several weeks offering more options for vaccinations.

We are working to streamline the process for the residents getting vaccinated.

The Board of Health will provide further updates as they become available.

***ALWAYS CHECK TO MAKE SURE YOU ARE ELIGIBLE AT THESE PROVIDER SITES.**

Also look for information from your medical provider; your provider may be offering vaccinations at some point.
